canadians.org/election2021
On September 20th, 2021, Canadians will head to the polls, and there is so much at stake. The Council of Canadians created this brochure to help you ask important questions to your local candidates and make an informed decision when you cast your ballot.

**CLIMATE**

- Will you stand up to the oil and gas lobby, and champion legislation to end fossil fuel subsidies and all new fossil fuel development permits?

- Will you support Just Transition legislation that winds down the fossil fuel industry, supports affected workers, and leaves no one behind?

- How will you ensure that Indigenous peoples, lands, and knowledges are meaningfully included in climate action plans and planning processes?

- Do you support a Green New Deal that transforms high emissions sectors like energy, transportation, food, and housing into zero-carbon public services?

**WATER**

- How will you ensure that First Nations finally get the resources and power they need to provide clean drinking water on reserves?

- Will you champion direct federal funding for municipalities to invest in much-needed water and wastewater infrastructure projects?

- Do you support giving the Canada Water Agency a strong regulatory mandate?

- Who do you think should decide how highly radioactive nuclear waste is managed and disposed of?

**ELECTORAL REFORM**

- Will you support a national Citizens’ Assembly on electoral reform before the next election?

**LONG-TERM CARE**

1. What is your position on removing profit from long-term care?

2. Will you commit to working towards federally-regulated & enforceable national standards for long-term care?

**BIG PHARMA**

1. What will you do in the face of Big Pharma’s bullying tactics?

2. What will you do to help get pharmacare across the finish line?

3. Will you commit to supporting legislation to lower the cost of patented drugs?

4. Will you support an intellectual property waiver to ensure countries that don’t have the vaccine currently can manufacture and distribute it on their own?
